2021-22	Output	Indicators	Targets 2021-22		Outcome	Indicators	Targets 2021-22		
	Creation and up-gradation of infrastructure for better	1.1.% progress on the major facilities being undertaken	100%	1.	1. Improved environment for training/ learning	1.1. Average Feedback Score on the Quality of the Program from the Participants trained under training courses	3.75 ²		
	learning environment for training of civil servants	1.2. No of Ministries / Departments planned under trainings	51/56			1.2. Increase in No of courses conducted i.eFoundation course, Cadre training programmes CSS/CSSS and other courses)	68		
		1.3. No. of UTs planned under trainings	8			1.3.% Increase in Training capacity of the courses being run at ISTM	33%		
		1.4. No. of courses Planned (i.e Foundation course, Cadre training programmes CSS/CSSS and other courses)	204			1.4. Average Feedback Score received on the Quality of IT services provided by ISTM	3.752		
		1.5. No. of training participants planned	5,100			1.5.% Utilization of Training Capacity (Number of Officers Enrolled/ Overall ISTM Training Capacity)	52%		
		1.6. No of upgraded equipment/new equipment proposed to be procured for physical progress made on major facilities	54			1.6. Average Feedback Score received on the Quality of the facilities / infrastructure from the Participants	3.752		

2. National Programme for Civil Services Capacity Building (NPCSCB) - Mission Karmayogi (CS)

 $^{^2}$ on a scale of 1 - 5

FINANCIAL OUTLAY (Rs in Cr)	C	OUTPUTS 2021-22		OUTCOMES 2021-22				
2021-22	Output	Indicators	Targets 2021-22		Outcome	Indicators	Targets 2021-22	
50.00	1. Moving to competency driven capacity development of all civil services, with operationalization	1.1. Number of departments that have operationalized FRAC	10	1.	Bridging the competency gaps of individual civil service officials	1.1.% of mandatory competencies, Ministry/Department, for which content has been developed/ sourced	20%	
	of the Framework for Roles, Activities, Competencies (FRAC)	1.2.% of officers whose roles, activities and competencies have been defined and onboarded on iGOT Karmayogi Platform for the departments that have operationalized FRAC	30%	2.	Improvement in quality of Program and Performance of the trained officers	2.1. Average Feedback Score on the Quality of the Program from the Participants trained under courses run by department and CTI onboarded	2.53	
	2. Providing avenues for world class content to be available for officers linked to domain capacity	2.1. Total Number of courses created by the departments and CTIs that have been onboarded	344			2.2. Median % Improvement in preand post-training assessment scores of the Participants trained under courses run by department and CTI onboarded	Target Not Amenable ⁵	

³ on a scale of 1-5

 $^{^4}$ Average number of courses to be created by each Department/CTI = 2; Number of total Departments and CTIs onboarded = 10+7=17; Hence, total number of courses = 2x17=34

⁵ Pre and post-training assessments of users will be performed through proctored independent assessments and DoPT is in the process of defining the framework of the proctored assessments – how the assessments will be designed, how they will be conducted, how will the scores be calculated and stored etc. Conducting proctored assessments will need setting up of a robust assessment infrastructure (including systems and facilities for proctored tests) and integrating the same with iGOT Karmayogi, both of which will be performed by the proposed Special Purpose Vehicle (SPV). As per the plans, the SPV will be formed in 2021 and will then conduct procurements to set up the proctored assessment infrastructure, which is expected to be operational by 2022 and will start showing results from 2023 onwards. Accordingly, delivering such outcomes may not be feasible in 2021-22

FINANCIAL OUTLAY (Rs in Cr)	OUTPUTS 2021-22					OUTCOMES 2021-22				
2021-22		Output	Indicators	Targets 2021-22		Outcome	Indicators	Targets 2021-22		
	kn	emocratizing nowledge across I civil services	3.1. Number of departments onboarded on iGOT Karmayogi	10	3.	Improved availability of trained workforce and enhanced knowledge across whole of government	3.1. For each onboarded department, % of officers trained at least once on iGOT Karmayogi	20%		
			3.2. Number of CTIs onboarded on iGOT Karmyogi	7		-	3.2.% of officers who have successfully completed a course in which they have registered on iGOT Karmayogi	60%		
			3.3.% officers' coverage on iGOT Karmayogi Platform for the departments and CTIs onboarded	20%	4.	Providing officials with the opportunity to be formally recognized for their expertise	4.1.% officers trained of the strength of the departments on boarded on the platform	20%		
	co be pro (in na	creased ollaboration etween content oviders nternational and ational) and the	4.1. Number of courses offered by National Organization / International Universities on iGOT Karmayogi	5			4.2. No. of officers trained and have completed proctored assessment	Target Not Amenable ⁶		
	ob un	stablishing ojective and obiased systems evaluation to	5.1. Whether the agencies have been onboarded for conducting Proctored, Independent and	Yes			4.3. No. of officers who have completed trainings, have completed Proctored	10%7		

⁶ The proctored assessments will be operationalized not before 2022, when the infrastructure for proctored assessments is expected to be in place and hiring of suitable vendors be done. As such, they said outcome may only be tracked from 2022 as the assessments will be rolled out

⁷ This percentage will increase in coming years
