### Corrigendum-I

**Subject: Request for Proposal (RFP) for the Evaluation of Capacity Building and Human Resource Development scheme of CSIR- regarding.**

1. This Corrigendum forms an integral part of the above RFP
2. Pursuant to the release of the RFP for engagement of a Consultancy Firm for the Evaluation of Capacity Building and Human Resource Development scheme of CSIR issued by DMEO, NITI Aayog on 26.06.2023, following are the amendments in the RFP. The deletions in the earlier text of the RFP are indicated as strikethrough and the additions are underlined.

## Responses to the Queries

S.No.	Section/Clauses	Query Received	DMEO's response
1.	RFP Clause 2.26	It may be noted that there could be unavoidable circumstances that lead to need for substitution of personnel. Equal or better qualified and experienced personnel would have to be identified in such cases. We request that the clause of 'a sum equal to 10% (ten per cent) of the remuneration specified for the original Key Personnel shall be deducted from the payments due to the Consultant. In the case of a second substitution hereunder, such deduction shall be 20% (twenty per cent) of the remuneration specified for the original Key Personnel' be reviewed as it would affect the ability of the consultant to provide for competent staff and smooth performance of project operations.	No change is contemplated. Please refer to the clause 2.26 of RFP which is clear and self-explanatory.
2.	RFP Clause 2.26	It may be noted that there could be unavoidable circumstances that could lead to need for substitution of the Team Leader. While the consultant would make all efforts to ensure that there is no need for substitution, there could be unavoidable circumstances that lead to need for substitution of personnel. We request that the clause be reconsidered.	No change is contemplated. Please refer to the clause 2.26 of RFP which is clear and self-explanatory.
3.	Terms of Reference Section 4	Will the CSIR/DMEO provide the consultant the list of researchers/Professors/Scientist/Institution supported under the scheme with state wise numbers? List of Queries: Evaluation of Capacity Building and Human Resource Development Scheme of CSIR Current Provision Query 4. RFP, Pg 45 Survey (online/offline) with beneficiaries Please confirm the number of surveys that need to be conducted online and the number that need to be conducted offline.	The survey with Professors and Scientists can be done entirely online whereas upto 20% of survey can be done online for those researchers (Professors, Ph.D.s and Post-docs) who have completed their fellowship tenure. Please refer to the Corrigendum 1
4.	Terms of Reference	Please share the names and locations of institutions that would be considered as the sampling frame.	The list of institutions is placed at Annexure I. The details related to enrolment of the fellowship/grant will be shared with the consultant after the signing of contract. Moreover, the sampling frame has to be developed by the consultant in consultation with DMEO
5.	Terms of Reference Section 3	Please specify the contents that are expected to be part of the Mid-term Report.	Please refer to the scope of services (Section 3) of the terms of reference.
6.	Terms of Reference Section 11	The assignment will involve extensive field work and the team would travel for a significant part of the time. In light of this the need for an office in Delhi/NCR may kindly be reviewed.	Agreed. Please refer to Corrigendum I.

S.No.	Section/Clauses	Query Received	DMEO's response
7.	Terms of Reference Section 7	The nature of deliverables and payment terms indicate that the contract would be a lumpsum contract. Keeping this in mind the need for These time sheets/ attendance sheets may kindly be reviewed.	Please refer to the corrigendum 1
8.	RFP Clause 2.20	Please confirm the valid supporting documents that would have to be submitted for seeking EMD exemption.	Please refer to the clause 2.20 of the RFP which is clear and self-explanatory.
9.	RFP Clause 2.2.4	Is a power of attorney needed if the proposal is signed and delivered by a partner or managing director of a pvt. ltd. company directly because POA certifying own-self as authorized signatory appears counterintuitive? Will a copy of board resolution suffice? POA is not needed in case of LLP or partnership firm therefore we wonder in one is needed for Pvt. Ltd.	<p>It is to clarify that letter of authorization will also be considered in case the proposal is signed by Managing Director of an organization.</p> <p>In case of govt-owned academic institutions in lieu of POA, a letter of authorization duly signed by Head of the Department, Dean, Registrar, Director, Other Competent authority will be considered.</p> <p>Please refer to the corrigendum 1</p>
10.	RFP Clause 2.2.1 and 2.2.4	We believe that an academic institution can act as the Lead firm for this tender, is our understanding correct? In such as case will there be need a separate format for POA and LOA (letter of association) from consortium partner?	<p>In case of govt-owned academic institutions in lieu of POA, a letter of authorization duly signed by competent authority such as Head of the Department, Dean, Registrar, Director etc. will be considered.</p> <p>Please refer to the corrigendum 1</p> <p>In case of academic institution is a lead member/sole member, the higher marks will be awarded as per the Clause 3.1.3 Point 3. In addition to this, the applicant does not require</p>

S.No.	Section/Clauses	Query Received	DMEO's response
			to furnish letter of intent with any academic institution.
11.	RFP Clause 3.1.4	We wish to understand what would constitute "Proof of relevant experiences" in this regard. Does this constitute work experience certificates from firms/org. where consultant was engaged? FT or part time basis? Or will the CV listing tenure, position and responsibilities will be adequate with a signed self-declaration of accuracy? Or should we provide the authority with contact information of the previous supervisor/HR manager/clients which can confirm the experience.	Please refer to the Form 6 of Appendix 1 of the RFP which is clear and self-explanatory.
12.	RFP Clause 2.26	We request that penalty clause should be applicable for the 2nd substitution scenario onwards only, and only for substitution initiated by the applicant and not for the substitution requested by the authority.	No change is contemplated. Please refer to the clause 2.26 of RFP which is clear and self-explanatory.
13.	Appendix 1: Form 7	We request that an objective scoring matrix for 40 marks allocated under this head may be issued for A) Technical Approach and Methodology B) Work plan followed by the C) Presentation	Please refer to the Form 7 of Appendix 1 which is clear and self-explanatory. The evaluation of the form and the presentation will be done by a committee duly constituted with the approval of competent authority.
14.	RFP Clause 3.1.4	We request clarity on 'Eligible Assignments have been completed in the 5(five) financial years preceding the PDD. Does this mean the contract starting date of the assignment could be from any financial year, but the physical completion of the assignment must be from the following timeline (FY 2018-19 or 2019-20 or 2020-21 or FY 2021-22 or FY 2022-23) Please confirm if our understanding is correct?	Please refer to the clause 3.1.4 of the RFP which is clear and self-explanatory.
15.	RFP Clause 3.3.3	We believe the financial score will be assigned as 100 for the lowest-priced eligible bidder and then adjusted for others as $100 \times (\text{lowest bid amount} / \text{bid by " consultant})$ . Please confirm.	The lowest financial bid will get the maximum marks. Accordingly, the relative marks will be given to the bids with higher financial quotes. Please refer to the clause 3.3. of the RFP which is clear and self-explanatory.
16.	Appendix II: Form 2	Please confirm that the financial bid to be considered will be that excluding" the GST Since GST is not a revenue for the consultant and the authority gets the full credit back, it should not be considered in evaluating the financial bid. Please confirm.	The cost <b>which is exclusive</b> of GST will be considered for evaluation. Please refer to the Corrigendum 1

S.No.	Section/Clauses	Query Received	DMEO's response
17.	Terms of Reference Section 4	The TOR suggests that beneficiaries' surveys can be done (online/office). We assume that the consultants have a flexibility to select one or a mix of both modalities in their proposal. Or is there any condition that the Beneficiary Level Survey must be done onsite (i.e offline). please Confirm	The survey with Professors and Scientists can be done entirely online whereas upto 20% of survey can be done online for those researchers (Professors, Ph.D.s and Post-docs) who have completed their fellowship tenure. Please refer to the Corrigendum 1
18.	Terms of Reference Section 4	The standard norm for back checks varies between 10-20% as per current industry standards, Hence the proposed 50% norm would only add to the overall cost. It is requested that a reasonable percentage for back check is kept.	The consultant is required to do telephonic verification of 20% of the total survey size for back-checks.  Please refer to the Corrigendum 1
19.	Terms of Reference Section 4	Please confirm if consultants are free to propose only telephonic back checks as part of the Data quality protocol or is there any compulsion to do physical back checks also. Clarification is needed for bidding parity purposes.	Please refer to the Corrigendum 1
20.	Terms of Reference Section 11	Is it necessary that the consultants be based in Delhi/NCR or can the consultants be based in other parts of India considering the field visits are all over India and the research tasks can be done remotely from any location? The latter strategy works better by reducing travel time and budget and in gaining regional perspective.	Delhi-NCR is removed from the requirements. Please refer to the Corrigendum 1
21.	Terms of Reference Section 7	Please share the time sheet proforma at bidding stage. However, since this is a fixed price deliverable-based contract, are time-sheets relevant as they are for time-based contracts? If not, then we request to remove this clause.	Please refer to the Corrigendum 1
22.	Terms of Reference Section 7	Since payment for this assignment is milestone based, this paragraph may be removed as it is relevant for Time based contracts.	Please refer to the Corrigendum 1
23.	Terms of Reference Section 7	Keeping in mind that this is a short-term assignment, we request that a maximum of 30 days' timeline should be kept for payment of consultants. This will help ease working capital requirements.	Please refer to the Corrigendum 1
24.	RFP Clause 2.2.2	Since the other implementation Support members would act as non-key experts giving support for implementation of the assignment, it is assumed that there is compulsion for them to be deployed in Project office. Please confirm if our understanding is correct.	Please refer to the Corrigendum 1

S.No.	Section/Clauses	Query Received	DMEO's response
25.	RFP Clause 2.13.4	We request that proposal due date may stand for uploading of proposal documents in portal, some additional days (2-3 days) post due date can be given to bidders for ensuring hard copy of submission of documents listed in clause 2.13.4 Please consider.	No change is contemplated. Please refer to clause 2.13.4 of the RFP which is clear and self-explanatory
26.	Terms of Reference Section 7	<p>As regards the 'Terms of Payment', the RFP document mentions payment in three tranches:</p> <ul style="list-style-type: none"> <li>- 20% Inception Report approved by Authority</li> <li>- 20% Mid-term Report approved by Authority</li> <li>- 30% Draft Evaluation Report</li> <li>- 30% Final Evaluation Report approved by Authority</li> </ul> <p>Right from the outset of the assignment, it would be required to work on preliminary activities (meetings/interactions) manpower deployment, pilot of data collection instruments and their finalization, development of data collection application, orientation of data collection teams, travel/lodging/boarding for data collection, etc. All these are cost-intensive activities and would need upfront working capital. Besides, each assignment has to pay for itself. However, the above payment terms will not suffice the working capital requirement, and the consultants will be forced to cross-subsidize the working capital requirements from their other assignments.</p> <p>Thus, in view of the above, it is requested to please revise the payment terms for the assignment as follows:</p> <ul style="list-style-type: none"> <li>- 10% of the award cost after signing of agreement</li> <li>- 25% of the award cost on submission of inception report</li> <li>- 25% of the award cost on completion of survey/ field data collection submission of mid-term report</li> <li>- 25% of the award cost on submission of draft evaluation report</li> <li>- 15% of the award cost on submission/presentation of final report</li> </ul> <p>The above payment terms would ensure availability of required working capital for each stage of the assignment.</p>	<p>The govt-owned academic institutions will be given 10% of the contract value on the signing of the contract.</p> <p>Please refer to the Corrigendum 1</p>
27.	RFP Clause 2.2.2	We kindly request a relaxation in the sector-specific expertise requirement for the Deputy Team Leader (DTL) position, as stated in Section 2.2, Clause D (Page 16) titled "Conditions of Eligibility for Key Personnel." Currently, the clause mentions that both the Team Leader and Deputy Team Leader should possess experience in handling evaluation/research projects in the education and Science & Technology (S&T) sectors. However, we propose that the sector-specific expertise of education and S&T sectors be fulfilled by the Team Leader, allowing us to propose experts with strong evaluation and research skills that are applicable across various sectors for the DTL position. This modification will enable us to present highly qualified individuals capable of working effectively in cross-cutting areas.	Please refer to the Corrigendum 1

28.	RFP Clause 3.1.2	We kindly request a relaxation in the criteria stated in Section 3.1 (Page 33) under the clause titled "Evaluation of technical proposals." Specifically, clause 3.1.2 states that a proposal will be rejected if any three of the Key Personnel are deemed ineligible. However, considering that each Key Personnel is assigned definite marks, we propose a modification to this criterion and suggest that the Consultant's proposal not be entirely rejected if any three key personnel are deemed ineligible. This will help in allowing for a fair assessment of the proposal's overall merit, considering the qualifications and expertise of the remaining eligible team members.	Please refer to the Corrigendum 1
29.	RFP Clause 3.1.4	We kindly request an extension of the criterion mentioned in Section 3, under clause 3.1.4 (Page 34), titled "Eligible Assignments." Currently, the clause states that eligible assignments must have been completed within the 5 (five) financial years preceding the PDD (Project Design Document). However, we have a substantial body of work executed over an extended period and believe that including some of our important and marquee mandates in this tender will strengthen our credibility in executing similar assignments. These mandates showcase significant sample sizes and high project value, particularly in the evaluation of Government programs. Therefore, we kindly request an extension of the criterion from 5 to 10 years, allowing us to include these relevant and substantial mandates in our proposal.	Please refer to the clause 3.1.4 of the RFP which is clear and self-explanatory.
30.	Terms of Reference	In the Terms of Reference Section B on "Sampling" mentions "The sample for the Key Informant Interviews (KIs), Focused Group Discussions (FDGs) and Beneficiaries must be designed so that the sample is spread over geographic sub-areas and population sub-groups properly". To ensure the development of a geographically representative sampling plan, we kindly request you to provide us with the necessary information regarding the distribution of institutions and beneficiaries across different states. This will enable us to design a sampling strategy that adequately captures the geographic diversity and sub-group representation outlined in the ToR.	The list of institutions is placed at Annexure I. The details related to enrolment of the fellowship/grant will be shared with the consultant after the signing of contract. Moreover, the sampling frame has to be developed by the consultant in consultation with DMEO
31.	Terms of Reference Section 4	Section 4(Pg.44) titled "Data Collection and Methodology" point B(Sampling) of the ToR mentions, a minimum of 1000 beneficiaries have to be surveyed and KIs(100) and FDGs(40) needs to be conducted with researchers, professors and scientists from the institutions supported. We kindly request the provision of specific information regarding the number of beneficiaries, professors, and scientists covered per institution for the Scheme. This will enable us in developing a representative sample across all beneficiary groups and ensure the inclusion of an appropriate representation from these groups in our sampling plan.	The sampling frame has to be prepared by the consultant in consultation with DMEO. Moreover, please refer to the provisions given in the ToR which are clear and self-explanatory
32.	Terms of Reference Section 4	We kindly request clarification regarding the indicative number of offline and online interviews to be conducted for the survey of beneficiaries, as mentioned in Clause B (Sampling) of Section 4 (Page 45) of the ToR. By knowing the specific proportions of offline and online interviews required, we will be able to allocate appropriate resources and plan the logistics accordingly. This will ensure a well-structured data collection approach and realistic budget estimation for the study.	The survey with Professors and Scientists can be done entirely online whereas upto 20% of survey can be done online for those researchers (Professors, Ph.D.s and Post-docs) who

			have completed their fellowship tenure. Please refer to the Corrigendum 1
33.	Terms of Reference Section 6	In the Terms of Reference, Section 6(Pg.47) "Deliverables and Timelines" mentions a total timeline of 120 days. As the evaluation needs to be carried out in 36 states across multiple institutions covering over 1000 beneficiaries, we anticipate the data collection exercise will take considerable amount of time. Additionally, approvals from the institutes, Government officials to be interviewed and other field work related logistics will be time consuming. Therefore, we kindly request an extension of the study duration to 180 days (6 months) to ensure sufficient time for comprehensive data collection, analysis, and report writing, allowing us to deliver a high-quality evaluation within the given timeframe.	Please refer to the Corrigendum 1
34.	Terms of Reference Section 7	In the Terms of Reference, Section 7(Pg.47) mentions the payment schedule for the study. As we have a considerable amount of work in the inception and data collection phase including preliminary research, developing & testing questionnaires through pilot study, conducting field data collection, data cleaning and processing for analysis, all of which requires significant upfront efforts. Moreover, field staff who will be conducting the surveys need to be paid upfront at the time of completion of surveys. This situation will lead to working capital/ cashflow issues for the Consultant. We request you to reconsider the payment terms in the following manner: <ul style="list-style-type: none"> <li>• 30% on approval of Inception Report</li> <li>• 30% on approval of Mid-Term Report</li> <li>• 20% on approval of Draft Evaluation Report</li> <li>• 20% on approval of Final Evaluation Report</li> </ul> This adjustment aligns the payment schedule with the critical milestones and deliverables, while accommodating the Consultant's working capital needs.	The govt-owned academic institutions will be given 10% of the contract value on the signing of the contract.  Please refer to the Corrigendum I
35.	RFP Clause 3.3	We kindly request the provision of a tentative allocated budget for the Assignment as mentioned in Section 3.3 (Page 35) titled "Evaluation of Financial Proposal." Having a clear understanding of the allocated budget will enable us to submit a realistic and competitive bid for the project. This information will help us ensure that our financial proposal aligns with the expectations and resources available for the Assignment.	No change is contemplated. Please refer to Clause 3.3 of the RFP which is clear and self-explanatory
36.	RFP Clause 2.25	In accordance with Section E "Appointment of Consultant" clause 2.25.1. (Pg.30) – "In case the Selected Applicant fails to reconfirm its commitment, the Authority reserves the right to forfeit the bid security or Bid security declaration of the Applicant in accordance with the provisions of Clause 2.20.4." We respectfully request for a modification to this condition specifically related to the forfeit of bid security amount as we will take all necessary precautions and measures to ensure that all Key Personnel meet the eligibility requirements set forth in the proposal. In the unlikely event that personnel replacement becomes necessary, we commit to taking immediate and appropriate corrective actions.	No change is contemplated.

S.No.	Section/Clauses	Query Received	DMEO's response
37.	RFP Clause 2.26	We kindly request a relaxation on the penalty specified in Section 2.26, clause 2.26.2 (Page 32) titled "Substitution of key personnel." The clause states that in the event of substituting key personnel, a deduction of 10% or 20% of the remuneration specified for the original Key Personnel will be applied for the first and second substitutions, respectively. Given that we will make every effort to maintain the continuity of the project team and the unpredictable nature of such circumstances, we kindly request a relaxation on the penalty to be imposed. This modification will allow for a smoother project execution while accommodating any unforeseen changes in the project team without disproportionate financial repercussions.	No change is contemplated.
38.	RFP Clause 2.28	Section 2.28(Pg.32) titled Award of Consultancy mentions – “In the event the duplicate copy of the LOA duly signed by the Selected Applicant is not received by the stipulated date, the Authority may, unless it consents to extension of time for submission thereof, reserves the right to take action as per the Bid Security or Bid Security Declaration of such Applicant as mutually agreed genuine pre-estimated loss ....”. We request you to relax the penalty on bid security amount for failure to sign the LOA within the stipulated timelines as the Consultant will ensure the LOA is signed within the stipulated timeline and ensure there is no delay on our end regarding this.	No change is contemplated.
39.	RFP Clause 2.27	Section 2.27(Pg.32) titled “indemnity” mentions “The Consultant shall, subject to the provisions of the Agreement, indemnify the Authority for an amount not exceeding 3 (three) times the value of the Agreement for any direct loss or damage that is caused due to any deficiency in services” and clause 6.3 on “indemnity”. We request you to kindly rephrase this as “In no event will Consultant be liable for any consequential, incidental, indirect, punitive or special losses or damages (including loss of profits, data, anticipated savings, business or goodwill), regardless of whether such liability is based on breach of contract, tort, strict liability, reach of warranties, failure of essential purpose or otherwise, and even if advised of the likelihood of such damages. The total aggregate liability of consultant, whether in contract, tort (including negligence) or otherwise, under or in connection with this agreement, shall in no circumstances exceed a sum equal to the fees paid or payable by the Authority under this agreement”	No change is contemplated.
40.	RFP Clause 2.27	Also, in Section 2.27(Pg.32) titled “indemnity”, we request you kindly limit the indemnity for breach of contracts/deficiency in service and rephrase the clause as “The Consultant shall, subject to the provisions of the Agreement, indemnify the Authority for an amount not exceeding the value of the Agreement for any direct loss or damage that is caused due to any willful misconduct, negligence, fraud, breach of laws by the Consultant.”	No change is contemplated.
41.	RFP Clause 2.31	Section 2.31(Pg.32) on “Proprietary Data” and Clause 6.4 mentions- “All information collected, analyzed, processed or in whatever manner provided by the Consultant to the Authority in relation to the Consultancy shall be the property of the Authority”. In addition to this, we request you to kindly add the following to this clause – “The Consultant will retain all rights, title, interest in the pre-existing inventions, works, and methodologies.”	No change is contemplated.
