*Dear Amit*

Development Monitoring and Evaluation Office (DMEO), NITI Aayog, in a collaborative effort with line Ministries/Departments, annually develops the Output-Outcome Monitoring Framework (OOMF). I take this opportunity to note that with your invaluable support, the final framework covering the Central Sector (CS) and Centrally Sponsored Schemes (CSS) with a financial outlay of ₹500 Cr or more will be laid in the Parliament by the Department of Expenditure along with the Union budget 2025-26 on 1<sup>st</sup> February 2025.

2. The final Output-Outcome Monitoring Framework for the CS/ CSS, with a financial outlay of less than Rs. 500 cr is of significant importance and will be presented in Parliament along with the Detailed Demand for Grant (DDG) by respective M/Ds (copy attached).

3. DMEO has jointly finalized the draft OOMF in consultation with your Ministry/ Department for the CS/ CSS with a financial outlay of less than Rs. 500 Cr. for the **FY 2025-26** (both in English and Hindi). The draft OOMF is attached with a request to review, finalize and lay the same in the Parliament along with DDG. It is also requested to share the final OOMF 25-26 as presented in the Parliament along with DDG to DMEO.

4. Further, I request you to advise the M/Ds' nodal officer to update the schemes' progress for Q1 to Q3 FY 2024-25 in the OOMF Dashboard by 15<sup>th</sup> February 2025.

*Best wishes,*

Yours sincerely,
