

Response to Queries reg. Evaluation of MIS and PDPS:

Queries	DMEO Response
<p>Regarding eligible assignments- we qualify some assignments, but for rest of the assignments there are less than 10 lakh rupees, like FPO Evaluation, almost all the projects are from public policy, but my request would be to consider few eligible assignments to understand the strength in better way.</p>	<p>No change is contemplated.</p>
<p>MIS merged in PM AASHA; will it create problems in conducting meta-analysis?</p>	<p>MIS scheme was merged with PM AASHA very recently. Merger of the MIS scheme with PM AASHA is not a problem in evaluation.</p>
<p>Sample size- do we need to prepare report- National level, or zone/ state wise? So, in that case sample size would have to be modified</p>	<p>We require only one National level report. Though, insights/best practices from the sampled states would be incorporated in the evaluation report, which does not require separate sampling.</p>
<p>Will the credentials of consortium partner also be considered as part of the eligible assignments?</p>	<p>Consortium partner experience will be considered.</p> <p>a. Scoring of relevant experience of the applicant:</p> <p>i. With respect to the Scoring Criteria mentioned in Clause 4.1.3 (1 (a) and 1 (c)), it is clarified that while considering the 10 eligible assignments the relevant experience of all the members of the consortium including the Lead Member would be considered for scoring. However, the Lead Member must fulfill a minimum of 40 percent of the total number of eligible assignments submitted by the Consortium (details to be</p>

<p>As per the Eligible assignment definition- we have done evaluation of public policy, which is not in agriculture sector. So, will that also be considered, please provide clarification on that.</p>	<p>filled at Appendix I Form 8 of the RFP, available online on DMEQ website), and the remaining can come from one or more of the other consortium members.</p> <p>b. Number of Consortium Members: It is also clarified that for consortium, a maximum of four (4) consortium members (including the Lead Member) are allowed.</p> <p>Refer to Clause 4.2 of RFP, which is self-explanatory.</p>
<p>In the eligible assignments- whether organizations like 3IE qualify this category as they have lot of government partners on board?</p>	<p>Refer to RFP clause 4.2, which is self-explanatory</p>
<p>As a company we don't have specific Government sector experience but have lot of private sector experience. As per clause 4.2 of RFP, Government experience is required, will that impact us on scoring?</p>	<p>Refer to RFP clause 4.2, which is self-explanatory</p>
<p>While applying, if we are submitting a project in which we are not a lead partner, but it is being delivered to a client like NITI Aayog, would that be considered?</p>	<p>Refer to RFP clause 4.2, which is self-explanatory</p>
<p>In the event that we choose not to collaborate or form a consortium/partnership with academic institutions, how will the allocation of the 4 marks assigned to this criterion be handled?</p> <p>Many of the indicative documents referenced may not be publicly available in their most</p>	<p>No marks will be given if there is no collaboration.</p>

recent or updated versions. Could you please confirm whether DMEO will provide access to the relevant scheme documents upon award of contract, as well as access to the MIS and PDPS scheme dashboards?	These issues will be discussed with the selected consultant, post-award of contract.
