## 1. Production-linked Incentive (PLI) Scheme for Specialty Steel in India (CS)

FINANCIAL OUTLAY (₹ in crore)	OUTPUTS 2026-27			OUTCOMES 2026-27			
	2026-27	Output	Indicators	Target 2026-27	Outcome	Indicators	Target 2026-27
380	1.	Eligible companies receiving incentives	1.1. No. of eligible firms that received the incentives in the financial year	25	1. Increased investment in specialty steel sector	1.1. Amount (in INR Cr) invested in specialty steel in in the financial year.	5500
	2.	Encouraging domestic production of specialty steel	2.1. Production of specialty steel by approved companies in (thousand tonnes) in the financial year	3213			
			2.2. % increase in production of specialty steel over and above the specified minimum threshold in the financial year	#			
3.	Improvement in sales of specialty steel	3.1. % increase in sales of specialty steel in the financial year	#	2. Increase in direct employment generated	2.1. Number of people (direct employment) by the approved companies in the financial year.	2436	

# - Increase in production over and above the minimum threshold and increase in sales of specialty steel in the FY 2026-27 cannot be determined at this stage. Further, incentives are limited to the committed production only.

## 2. Promotion of Research &amp; Development in Iron &amp; Steel Sector (CS)

FINANCIAL OUTLAY (₹ in crore)	OUTPUTS 2026-27			OUTCOMES 2026-27		
	2026-27	Output	Indicators	Target 2026-27	Outcome	Indicators
6	1. Research & Development (R&D) projects pursued in the Iron & Steel sector	1.1. Number of R&D projects to be approved in the financial year	10	1. Development of innovative and energy efficient technologies through R&D in the Iron & Steel sector	1.1. Number of patents awarded through the R&D projects funded under the scheme	1
		1.2. Number of R&D projects to be completed in the financial year	5		1.2. Number of patents applied for through the R&D projects funded under the scheme	1
					1.3. Number of new processes developed through R&D in the Iron & Steel sector	2
				1.4. Number of projects commercialized/ adopted by the Iron & Steel industry	1	

## 3. Scheme for Promotion of Flagging of Merchant Ships in India by CPSEs under Ministry of Steel (CS)

FINANCIAL OUTLAY (₹ in crore)	OUTPUTS 2026-27			OUTCOMES 2026-27		
	2026-27	Output	Indicators	Target 2026-27	Outcome	Indicators
7	1. Promotion of Indian Merchant Ships in import of government cargo through provision of subsidy	1.1. No. of merchant ships flagged in India in the financial year.	18	1. Enhanced flagging of merchant ships in India	1.1. % increase in the number of flagged vessels	#
		1.2. Amount of subsidy to be granted in the financial year for flagging of merchant ships (in INR Cr.)	7	2. Reduced foreign exchange outgo to foreign shipping companies	2.1. % reduction in foreign exchange outgo in the financial year.	*

# - In the year 2025–26, 18 ships are expected to be flagged in India. The target for the year 2026–27 is also 18 ships. Accordingly, the expected percentage increase in the number of flagged vessels is zero.

\* Foreign exchange outgo is expected to decrease by ₹7 crore in the FY 2026-27. Percentage cannot be determined.
